Mr. and Mrs. T. A. Johnson
(mother and step-father of
Mrs. George Lundberg)

Mrs. Johnson was the first President of Silverhill P.T.A. in 1907. Then it was called Silverhill School Improvement Assn.

The first lady in Silverhill, she was then Mrs. A.T. Westerlund. She was a trained nurse and trained mid-wife, and helped care for the sick and the newborn in the early colony.

Mr. Johnson, a grocer from Chicago built People's Supply Company (Chandler's Store) in 1902. At that time he handled everything needed by early settlers, and by the native people living in the pine-wooded area. He handled, besides groceries, furniture, plows, horse and cow feed, kerosene oil, lamps and lanterns, shoes, dry goods, overalls, nails and silverware, soap, and the "GoldDust Twins". Remember? People came with horses and wagons and spent the day. It was a day's trip for many of them.

Never to be forgotten was that surprise bag of candy for the children, always found when the people got home and unloaded what they had bought. Mr. Johnson never forgot the children of those early settlers.

During the chairmanship of Mrs. Albert M. Phillips, Sr. in February of 1945, the school principal Mrs. Wm. B. Wingard encouraged the P.T.A. to hold a Founder's Day Banquet. It proved so successful financially, socially, and attractively that it has continued all of these years.

The Founder's Day Banquet was always held in the auditorium of our school until the school was destroyed by fire in November 1955. For the next two years the Banquet was held in the PZK Hall, then for the next seven years it continued as a "take-out" or eat in the cafeteria dinner. For the years 1965 and 1966 the Banquet was held in the Baptist Church Multi-Purpose Building. Since 1967 it has been held in the Robertsdale Coliseum.

At the first Founder's Day Banquet there were twelve tables decorated in the theme of the twelve months, with each table having twelve people. The next year a P.T.A. table was added because the first year had been such a success that more people wanted to attend. At this time Mrs. Finn Nitteberg and Mrs. Arnold Chandler decorated the stage and the auditorium and also prepared a program, with skits, plays, songs, dances, all having to do with the theme--months of the year. For some years there was also a children's table. After this more people were added to each table each year. This year there are 34 people seated at each table, and 60 at the P.T.A. table. In 1965 the P.T.A. changed the theme to Nationalities. The tables are now decorated to depict something outstanding about its country, serving girls dress in clothes of that country.

Silverhill is a neat, well groomed little town that was almost given a Swedish name when it was founded.

The town was founded by Oscar Johnson of Sweden and Chicago in 1896. The land around the town was purchased by the Svea Land Co. of Chicago in 1896. The company purchased the land from what is now Robertsdale to Fish River. Founders of the town were going to call it "Svea" because the colony was to be a Swedish colony.

However, a turpentine still had been built earlier on a hill east of Silver Creek. By 1896, the name Silverhill had become so well established that it stuck.

SHOPPING FOR YOUR CORN STARTER?

Many are and they are looking for one that meets their grade specifications, that is fresh and will flow easily, accurately through their planter boxes.

Some of the growers want a bagged starter and a growing number prefer bulk. Your Monsanto Agricultural Center in Loxley can take care of them all.

No matter what grade you want, you'll find it at your Monsanto Center. No matter whether you prefer fifty-pound bags or want to save with bulk, you'll find them both at your Monsanto Center. And there is no way to beat Monsanto when it comes to uniform, easy-flowing fertilizer, because it's freshly manufactured for you and hasn't been lying around for weeks.

If you're shopping for the best, make a point of visiting or calling your Monsanto Agricultural Center in Loxley. While you're in, we'd like to tell you about our Anhydrous Ammonia side-dressing service and help with your Ramrod and Lasso requirements, too.

If you're too busy to come in person, just call your Monsanto Agricultural Center at 964-5444.
