## ADVANTAGES OF BULK AND BLEND

WHY BUY BAGS, WHEN CUSTOM-MIXED  
BULK FERTILIZER COSTS LESS?

Our story is simple . . . you save money because bulk materials cost less,  
so we can sell for less. No bags or bagging costs; no high handling costs.  
And you save in-field time because bulk handles faster . . . nothing to  
tear or tip.

No guess work in our program. We like to start with your soil test. Then  
we can custom-mix just the right blend of nitrogen, phosphate, and potash  
materials to give you exactly what you need. These materials are precision  
mixed to guarantee even distribution without separation. Our water-soluble  
mixes assure faster availability.

BRIEF HISTORY OF FOUNDER'S DAY IN SILVERHILL  
1945-----1974

Welcome to this 30th annual Founder's Day Dinner. The first one was held in 1945 under the leadership of school principal Mrs. Wm. B. Wingard and P.T.A. chairman Mrs. Albert M. Philips, Sr. That first one was so successful financially, socially, and attractively that it has continued all these 30 years.

The Founder's Day Banquet was always held in the auditorium of our school until the school was destroyed by fire in November of 1955. For the next two years the Banquet was held in the PZK Hall, then for the next seven years it continued as a take put or eat in the cafeteria dinner. For the years 1965 and 1966 the Banquet was held in the Baptist Church Multi-purpose Building. Since 1967 it has been held in the Robertsdale Coliseum.

At the first Founder's Day Banquet there were twelve tables decorated in the theme of the twelve months, with each table having twelve people. The next year a P.T.A. table was added because the first year had been such a success that more people wanted to attend. At this time Mrs. Finn Nitteberg and Mrs. Arnold Chandler decorated the stage and the auditorium and also prepared a program, with skits, plays, songs, dances, all having to do with the theme--months of the year. For some years there was also a children's table. After this more people were added to each table each year. This year there are 34 people seated at each table, and 60 at the P.T.A. table. In 1965 the P.T.A. changed the theme to nationalities. The tables are now decorated to depict something outstanding about its country, and the serving girls dress in costume of the country.

FRENCH TABLE

Featured this year on the French Table is the famous Eiffel Tower. Flower carts, such as are used by flower-sellers in Paris are also used. Hand made artist's easels hold the place cards, and handmade baskets are used for nut and mint cups.

NETHERLANDS TABLE

The theme of the Netherlands table is the traditional windmills, dutch shoes, cheese and tulips; also the famous Dutch artist Rembrandt and dolls in native dress.

SOUTH SEA ISLANDS TABLE

A hand made miniature grass hut is used with swaying palms for the main attraction on the South Sea Islands table. Many of the decorations were hand made by the hostesses. The authentic grass skirts worn by the serving girls were brought from Hawaii by special arrangement with Mrs. Marie Krob especially for use at this Founder's Day Dinner. The grass strands are hand tied onto a small type of rope. The beautiful shells seen on this table come from waters in many parts of the world.

NORWEGIAN TABLE

The theme colors of the Norwegian table are red, white, and blue. Decorations used are hand made items and family heirlooms from Norway.

P.T.A. (U.S.A.) TABLE

The theme of this year's P.T.A. Table is "Kindle America's Light." Theme colors are red, white, and blue. Star shaped candles hold place cards in place and may be taken home as favors. Flower arrangements and more candles further carry out the theme.
