HAPPY DAY RADIO

The Silverhill P.T.A. would like to thank all the businesses that purchased advertisements in this year's program book. We would also like to ask our guests tonight to be sure to do business with our advertisers whenever possible.

The Founders Day Banquet is our main fund-raising event every year, and we sincerely thank all of you for enjoying it with us! We hope you have had a good time, and will want to be with us again next year!

BRIEF HISTORY OF FOUNDER'S DAY IN SILVERHILL 1945 - 1980

Welcome to the 35th Annual Founder's Day Dinner. The first one was held in 1945 under the leadership of school principal, Mrs. Wm. B. Wingard and P.T.A. chairman Mrs. Albert Philips, Sr. That first one was so successful financially, socially, and attractively that it has continued all these 35 years.

The Founder's Day Banquet was always held in the auditorium of our school until the school was destroyed by fire in November of 1955. For the next two years the Banquet was held in the PZK Hall, then for the next seven years it continued as a take-out or eat-in-the-cafeteria dinner. For the years 1965 and 1966 the Banquet was held in the Baptist Church Multi-Purpose Building. Since 1967 it has been held in the Robersdale Coliseum.

At the first Founder's Day Banquet there were twelve tables decorated in the theme of the twelve months, with each table having twelve people. The next year a P.T.A. Table was added because the first

year had been such a success that more people wanted to attend. At this time Mrs. Finn Nitteberg and Mrs. Arnold Chandler decorated the stage and the auditorium and also prepared a program, with skits, plays, songs, dances, all having to do with the theme, months of the year. For some years there was also a children's table. After this more people were added to each table each year. In 1965 the theme was changed to nationalities. From 1965 through 1975 the tables represented various countries, and each table had 34 people seated at it. In 1976 the theme was the 200 years of our country's history, divided into ten 20-year periods, one time period to each table, and a program was presented telling the history of our country in song, dance, and skits. The next year, countries were again used; and in 1978, but in 1979 we went back to the original theme of months of the year. This year there are 12 tables with 24 people at each one, and the P.T.A. Table, representing the four seasons of the year.
