

# START YOUR OWN SOCIAL SECURITY SYSTEM.

## THE NEW TAX-DEFERRED INDIVIDUAL RETIREMENT ACCOUNTS—IRAs.

It's nice to have someone take care of you.

But it's even nicer to feel confident that you can take care of yourself. Especially when you retire.

To start building that confidence, talk to the professionals at our FULL SERVICE BANK® about setting up a tax-deferred individual Retirement Account (IRA).

Starting in 1982, IRAs will be available to almost everyone (even individuals already covered by a company pension).

With the new IRAs, you as an individual may deposit up to \$2,000 a year.

We'll even help you set up a convenient schedule.

### WHAT A TAX-DEFERRED IRA COULD MEAN TO YOU

(Based on 12% interest, compounded annually)

	\$500 INVESTMENT at start of each year	\$1,000 INVESTMENT at start of each year	\$2,000 INVESTMENT at start of each year
Total Investment After 30 Years	\$ 15,000	\$ 30,000	\$ 60,000
Total Value of Investment After 30 Years	\$135,146	\$270,292	\$540,585

Note: This chart is intended to be an example of how regular deposits into an IRA can grow into a substantial sum. This is not a guarantee of interest rates or end financial results.

Letting you make your deposits by the week, by the month, or whatever suits you best.

You then deduct the annual investment from your taxable income. And

pay no federal taxes on the interest until you start withdrawing funds (Minimum age: 59½).

Then, when you retire, you'll probably be in a lower tax bracket, able to hold on to the lion's share of your nest egg.

For complete details about the new IRAs, talk to the professionals at our FULL SERVICE BANK today. Then you won't have to worry about social insecurity tomorrow.

**BRIEF HISTORY OF FOUNDER'S DAY  
IN SILVERHILL 1945-1983**

Welcome to the 38th Annual Founder's Day Dinner. The first one was held in 1945 under the leadership of school principal, Mrs. Wm. B. Wingard and P.T.A. chairman Mrs. Albert Philips, Sr. That first one was so successful financially, socially, and attractively that it has continued.

The Founder's Day Banquet was always held in the auditorium of our school until the school was destroyed by fire in November of 1955. For the next two years the Banquet was held in the PZK Hall, then for the next seven years it continued as a take-out or eat-in-the-cafeteria dinner. For the years 1965 and 1966 the Banquet was held in the Baptist Church Multi-Purpose Building. Since 1967 it has been held in the Robertsdale Coliseum.

At the first Founder's Day Banquet there were twelve tables decorated in the theme of the twelve months, with each table having twelve people. The next year a P.T.A. Table was added because the first year had been such a success that more people wanted to attend. At this time, Mrs. Finn Nitteberg and Mrs. Arnold Chandler decorated the stage and the auditorium and also prepared a program, with skits, plays, songs, dances, all having to do with the theme, months of the year. For some years there was also a children's table. After this more people were added to each table each year. In 1965 the theme was changed to nationalities. From 1965 to 1975 the tables represented various countries, and each table had 34 people seated at it. In 1976 the theme was the 200 years of our country's history, divided into ten 20-year periods, one time period to each table, and a program was presented telling the history of our country in song, dance, and skits. The next year, countries were again used, and in 1978; but in 1979 we went back to the original theme of months of the year. This year there are 12 tables, with 24 people at each one, and the P.T.A. Table, representing the four seasons of the year.

Enjoy yourself, and come again next year.
