IN MEMORY

Mary Foley and I would like to dedicate this Founder's Day Book to the memory of Eleanor Byrd. Eleanor loved Silverhill, she started working with Founder's Day as a serving girl when she was in the seventh grade. Later in life she was hostess of a table for many years. The past six years she has served as food chairman for Mary and I. When we started planning Founder's Day for this year, the menu comes first. As we were looking over Eleanor's notes, we found that she had already planned the menu for this 1991 Founder's Day, the one we used tonight. Eleanor was our good friend and we miss her greatly.

STEVE & MARILYN MANNHARD - OWNERS

BRIEF HISTORY OF FOUNDER'S DAY IN SILVERHILL 1945-1991

Welcome to the 46th Annual Founder's Day Dinner. The first one was held in 1945 under the leadership of school principal, Mrs. Wm. B. Wingard and P.T.A. Chairman Mrs. Albert Philips, Sr. That first one was so successful financially, socially, and attractively that it has continued.

The Founder's Day Banquet was always held in the auditorium of our school until the school was destroyed by fire in November of 1955. For the next two years the Banquet was held in the PZK Hall, then for the next seven years it continued as a take-out or eat-in-the-cafeteria dinner. For the years 1965 and 1966 the Banquet was held in the Baptist Church Multi-Purpose Building. Since 1967 it has been held in the Robertsdale Coliseum.

At the first Founder's Day Banquet there were twelve tables decorated in the theme of the twelve months, with each table having twelve people. The next year a P.T.A. Table was added because the first year had been such a success that more people wanted to attend. At this time, Mrs. Finn Nitteberg and Mrs. Arnold Chandler decorated the stage and the auditorium and also prepared a program, with skits, plays, songs, dances, all having to do with the theme: months of the year. For some years there was also a children's table. After this more people were added to each table each year. In 1965 the theme was changed to nationalities. From 1965 to 1975 the tables represented various countries, and each table had 34 people seated at it. In 1976 the theme was the 200 years of our country's history, divided into ten 20-year periods, one time period to each table, and a program was presented telling the history of our country in song, dance, and skits. In 1977 and 1978 the theme was countries of the world. Since 1979 the original theme "months of the year" has been used, and programs of skits, songs, etc. have been presented by community members.

Small colleges can help you make it BIG.

Choosing a college is an education in itself. Choosing Faulkner State can be your key to the education of a lifetime. Faulkner State offers liberal art and career-bound students a wide variety of majors. Broad-based, in-depth education prepares students for a life of challenge, change and success.

- **Choice**
- **Quality**
- **Affordability**
- **Participation**
- **Success**

Faulkner's classes are small and teaching is more personal. Our faculty's first commitment is to the student rather than research. And the campus offers greater opportunities for participation, leadership and lasting friendships.

Courses taken at Faulkner are fully transferable and accredited by the same agency that accredits the "big colleges." Faulkner offers flexible scheduling, convenient locations, Bay Minette, Fairhope and Foley, and Alabama's lowest tuition for all students. Yet students can receive a wide range of grants, scholarships, loans, and other financial aids that can make college more affordable.

The education and spirit that only a small college can offer may be the best way to reach your goals. Take a closer look. Faulkner State can help you make it big.
