#### BRIEF HISTORY OF FOUNDER'S DAY IN SILVERHILL 1945-1993

Welcome to the 48th Annual Founder's Day Dinner. The first one was held in 1945 under the leadership of school principal, Mrs. Wm. B. Wingard and P.T.A. Chairman Mrs. Albert Philips, Sr. That first one was so successful financially, socially, and attractively that it has continued.

The Founder's Day Banquet was always held in the auditorium of our school until the school was destroyed by fire in November of 1955. For the next two years the Banquet was held in the PZK Hall, then for the next seven years it continued as a take-out or eat-in-the-cafeteria dinner. For the years 1965 and 1966 the Banquet was held in the Baptist Church Multi-Purpose Building. Since 1967 it has been held in the Robertsdale Coliseum.

At the first Founder's Day Banquet there were twelve tables decorated in the theme of the twelve months, with each table having twelve people. The next year a P.T.A. Table was added because the first year had been such a success that more people wanted to attend. At this time, Mrs. Finn Nitteberg and Mrs. Arnold Chandler decorated the stage and the auditorium and also prepared a program, with skits, plays, songs, dances, all having to do with the theme: months of the year. For some years there was also a children's table. After this more people were added to each table each year. In 1965 the theme was changed to nationalities. From 1965 to 1975 the tables represented various countries, and each table had 34 people seated at it. In 1976 the theme was the 200 years of our country's history, divided into ten 20-year periods, one time period to each table, and a program was presented telling the history of our country in song, dance, and skits. In 1977 and 1978 the theme was countries of the world. Since 1979 the original theme "months of the year" has been used, and programs of skits, songs, etc. have been presented by community members.

# Buy the best new home.

If you buy or build a new home, be sure it makes Good Cents. A Good Cents home has special energy-saving features that save you energy dollars every month. And a Good Cents home is quieter, more comfortable (no hot or cold spots), and it holds its value longer.

Look for the Good Cents yard sign. Inside, look for the Good Cents award that lists the Good Cents features in the home. For more information, ask your builder or realtor or give us a call and ask for a Good Cents representative.
