### BRIEF HISTORY OF FOUNDER'S DAY IN SILVERHILL 1945-1996

Welcome to the 51st Annual Founder's Day Dinner. The first one was held in 1945 under the leadership of school principal, Mrs. Wm. B. Wingard and P.T.A. Chairman Mrs. Albert Philips, Sr. That first one was so successful financially, socially, and attractively that it has continued.

The Founder's Day Banquet was always held in the auditorium of our school until the school was destroyed by fire in November of 1955. For the next two years the Banquet was held in the PZK Hall, then for the next seven years it continued as a take-out or eat-in-the-cafeteria dinner. For the years 1965 and 1966 the Banquet was held in the Baptist Church Multi-Purpose Building. Since 1967 it has been held in the Robertsdale Coliseum.

At the first Founder's Day Banquet there were twelve tables decorated in the theme of the twelve months, with each table having twelve people. The next year a P.T.A. Table was added because the first year had been such a success that more people wanted to attend. At this time, Mrs. Finn Nitteberg and Mrs. Arnold Chandler decorated the stage and the auditorium and also prepared a program, with skits, plays, songs, dances, all having to do with the theme: months of the year. For some years there was also a children's table. After this more people were added to each table each year. In 1965 the theme was changed to nationalities. From 1965 to 1975 the tables represented various countries, and each table had 34 people seated at it. In 1976 the theme was the 200 years of our country's history, divided into ten 20-year periods, one time period to each table, and a program was presented telling the history of our country in song, dance, and skits. In 1977 and 1978 the theme was countries of the world. Since 1979 the original theme "months of the year" has been used, and programs of skits, songs, etc. have been presented by community members.

# The Evangelical Covenant Church

**WHERE CHRIST IS ALIVE!**

16094 STATE HIGHWAY 104  
SILVERHILL, ALABAMA

You've seen the symbol, but what does it mean? The basis of the design is the symbolic man - four of them - north, south, east, west. Note that the man's arms are outstretched, indicating the outreach in evangelism of the church. The four are part of a whole, yet their hands do not touch, symbolizing the freedom and individuality of the Covenant. The geometric arrangement of the four figures results in a cross-like pattern, representative of the center of our faith. The center circle symbolizes the unity and bond of fellowship which we call "The Covenant."
