The Evangelical Covenant Church

WHERE CHRIST IS ALIVE!

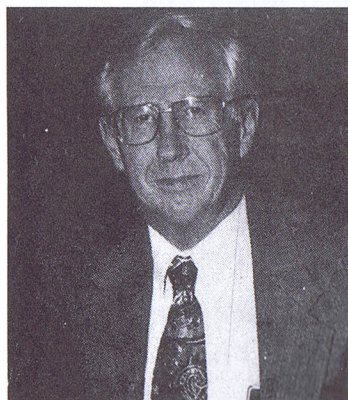

16094 STATE HIGHWAY 104
SILVERHILL, ALABAMA

You've seen the symbol, but what does it mean? The basis of the design is the symbolic man - four of them - north, south, east, west. Note that the man's arms are outstretched, indicating the outreach in evangelism of the church. The four are part of a whole, yet their hands do not touch, symbolizing the freedom and individuality of the Covenant. The geometric arrangement of the four figures results in a cross-like pattern, representative of the center of our faith. The center circle symbolizes the unity and bond of fellowship which we call "The Covenant."

**A Brief History of
Founders Day in Silverhill
1945 - 1997**

Welcome to the 52nd Annual Founders Day Banquet. We hope you will enjoy the food and entertainment we have prepared for you.

In 1945, while Mrs. Wingard was Principal and Mrs. Albert Philips was P.T.A. President, they began sponsoring the Annual Founders Day Dinner. This banquet became the celebration of the founding of the Parent and Teachers Association.

The banquet has been held in various locations over the years. The themes have been countries of the world, time periods in America and months of the year.

Founders Day has been a successful way of raising funds for our school. We hope you will continue to support this tradition.

We're in Your Neighborhood

Every day you're faced with choices—where to eat, where to buy gas, where to shop for shoes, to name a few. You also have to choose a doctor and a hospital to treat your family's healthcare needs. Your list of options includes the big city hospitals, miles away, that treat most every problem, and the community hospital, minutes away, that also treats most every problem.

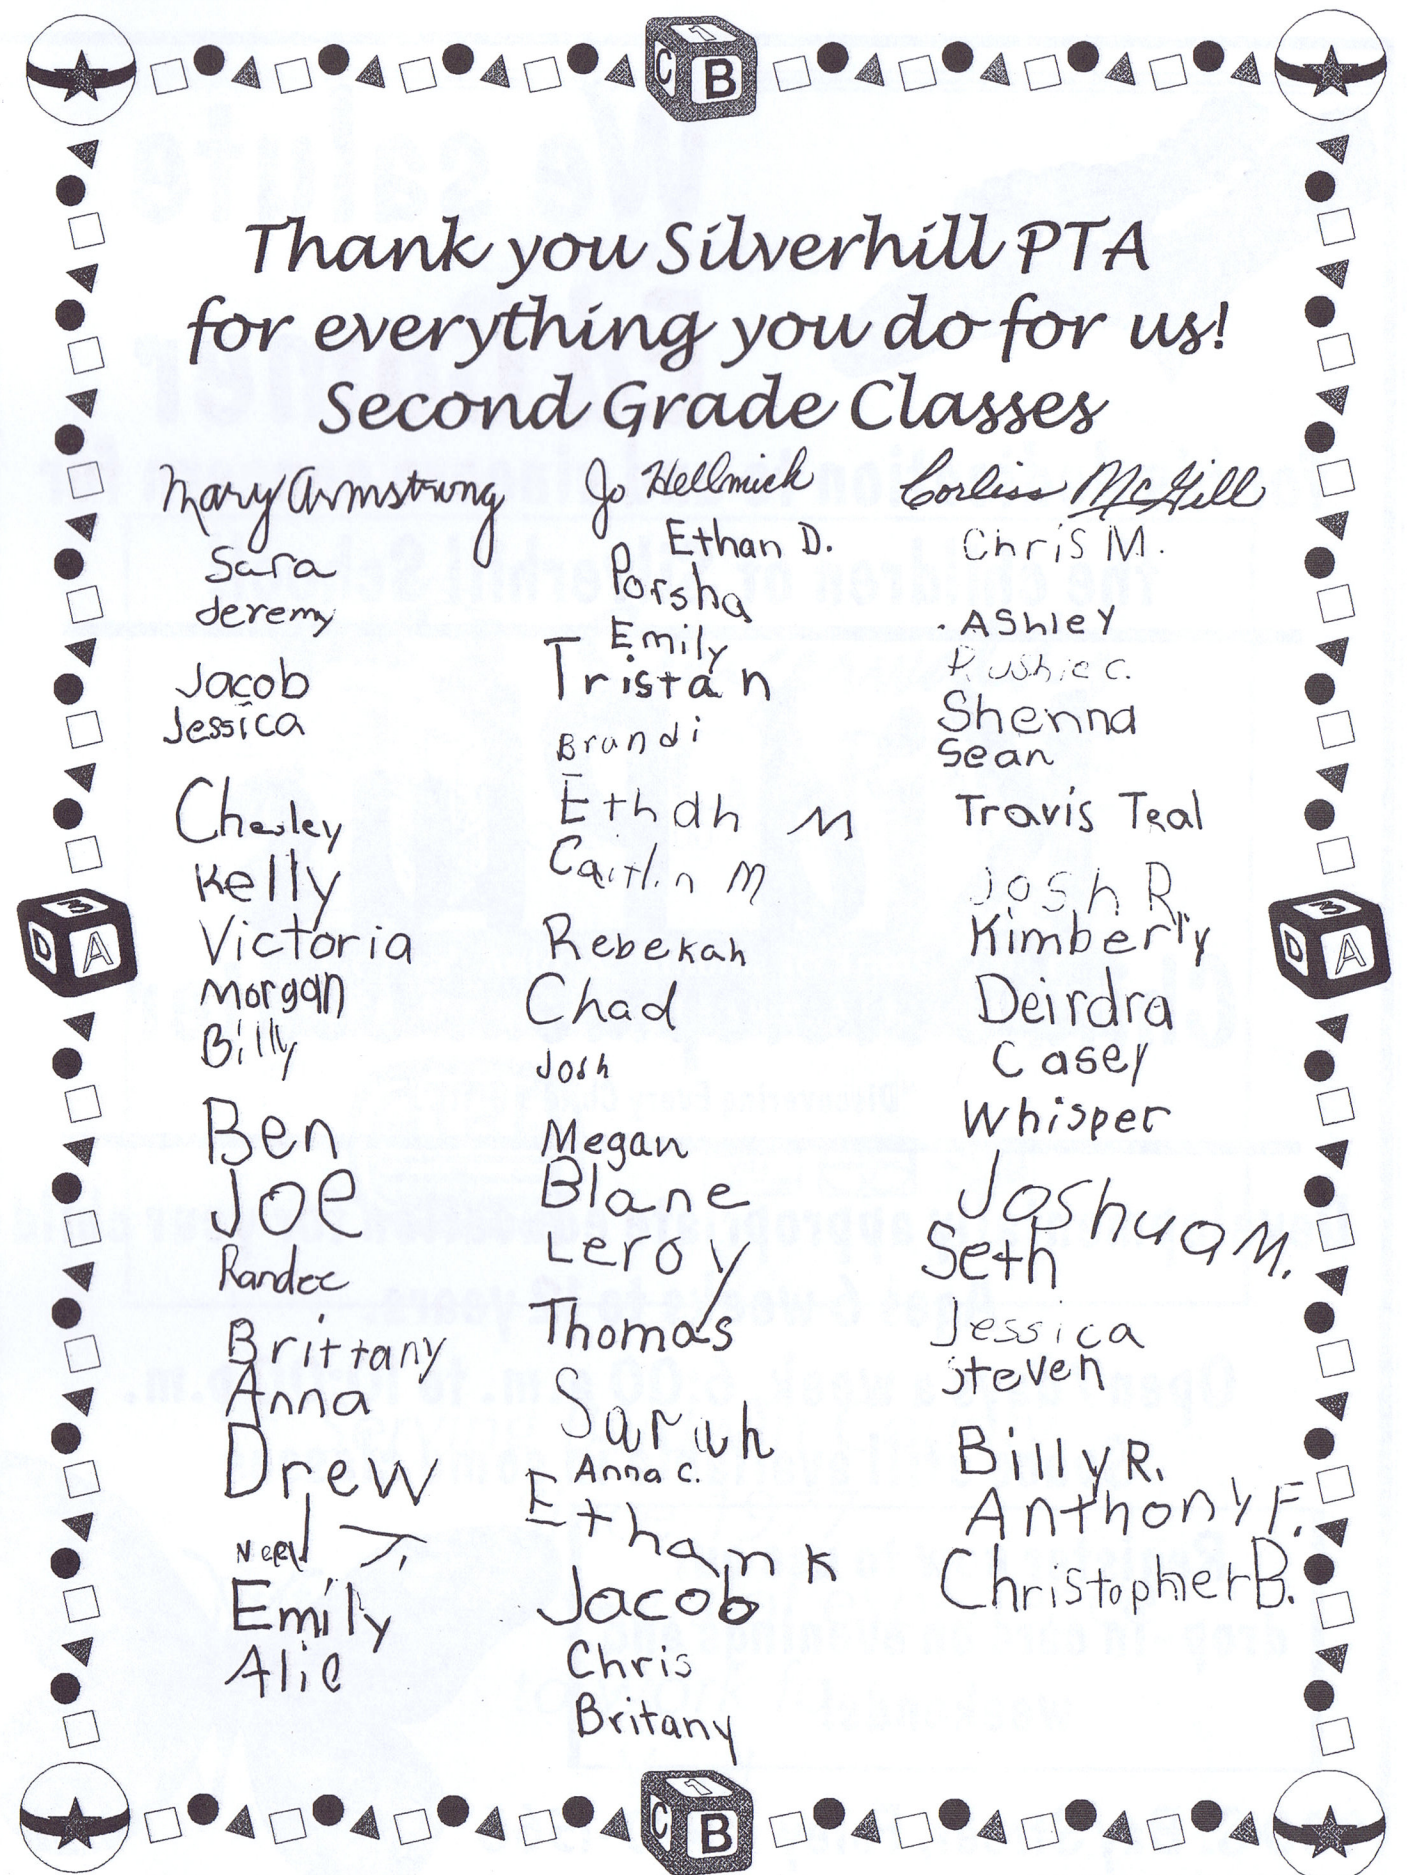

The obvious difference is the distance you have to travel. The less obvious difference is the personal touch and hometown atmosphere that you get with the community hospital.

At Thomas Hospital, a 150-bed community hospital in Fairhope, you get state-of-the-art equipment and facilities. But you also get treated like a person, not a number. The physicians, the hospital staff, and the volunteers are your neighbors. And they treat you like a neighbor.

When you're making this very important decision, choose Thomas Hospital and our physicians. After all, we're neighbors.
