The Evangelical Covenant Church

WHERE CHRIST IS ALIVE!

16094 STATE HIGHWAY 104
SILVERHILL, ALABAMA

You've seen the symbol, but what does it mean? The basis of the design is the symbolic man - four of them - north, south, east, west. Note that the man's arms are outstretched, indicating the outreach in evangelism of the church. The four are part of a whole, yet their hands do not touch, symbolizing the freedom and individuality of the Covenant. The geometric arrangement of the four figures results in a cross-like pattern, representative of the center of our faith. The center circle symbolizes the unity and bond of fellowship which we call "The Covenant."

A Brief History Of Founders Day in Silverhill 1945 - 1998

Welcome to the 53rd Annual Founders Day Banquet. We hope you will enjoy the food and entertainment we have prepared for you.

In 1945, while Mrs. Wingard was Principal and Mrs. Albert Philips was P.T.A. President, they began sponsoring the Annual Founders Day Dinner. This banquet became the celebration of the founding of the Parent and Teachers Association (P.T.A.).

The banquet has been held in various locations over the years. The themes have been countries of the world, time periods in America and months of the year.

Founders Day has been a successful way of raising funds for our school. We hope you will continue to support this tradition.

Serving our community for Christ for 99 years

The best way to describe our fellowship is that we are under construction. First Baptist is in a transition time in its leadership and its direction. We are excited about our future and the future of our community. We are continuing in an excellent music ministry with Cheryl Lowery and youth ministry with Jud Harbison. We invite you to be a part of what God is doing in changing hearts and lives for Christ.

State-of-the-art compassion.

The faculty, staff and administration of Silverhill Elementary School would like to extend to the members and officers of the Parent Teacher Association our appreciation to you and to our Volunteer Corps for all the many wonderful things that you have done for our students. With the assistance of these fine people the school has been able to fund a number of different programs. Congratulations on another successful year.
