raced to us

Richie's on track, thanks to our
Emergency Room.

"Richie impaled himself on a metal fence," says Diana Rockwell, whose family owns *The Track Recreation Center* in Gulf Shores.

By the time Diana and her husband, Don arrived at the Emergency Room, South Baldwin already had a leading trauma specialist available to repair their son's three critical abdominal injuries. "Richie spent two weeks in the hospital - one week in intensive care," Diana remembers. "Throughout his stay, the doctors and nurses were outstanding. We were really impressed with their skill and their helpfulness."

Impressed enough to steer 17 year-old Richie Rockwell onto a medical track: "Now he plans to be a trauma specialist."

 First Baptist Church*

Serving our community for Christ for 100 years

The best way to describe our fellowship is that we are under construction. First Baptist is in a transition time in its leadership and its direction. We are excited about our future and the future of our community. We are continuing in an excellent music ministry with Cheryl Lowery. Exciting things are happening. We will be celebrating our 100th Anniversary in November. We invite you to be a part of what God is doing in changing hearts and lives for Christ.

A Brief History Of Founders Day in Silverhill 1945 - 1999

Welcome to the 54th Annual Founders Day Banquet. We hope you will enjoy the food and entertainment we have prepared for you.

In 1945, while Mrs. Wingard was Principal and Mrs. Albert Philips was P.T.A. President, they began sponsoring the Annual Founders Day Dinner. This banquet became the celebration of the founding of the Parent and Teachers Association (P.T.A.).

The banquet has been held in various locations over the years. The themes have been countries of the world, time periods in America and months of the year.

Founders Day is a community gathering as well as a successful way of raising funds for our school. We hope you will continue to support this tradition.
