Richie's on track, thanks to our
Emergency Room.

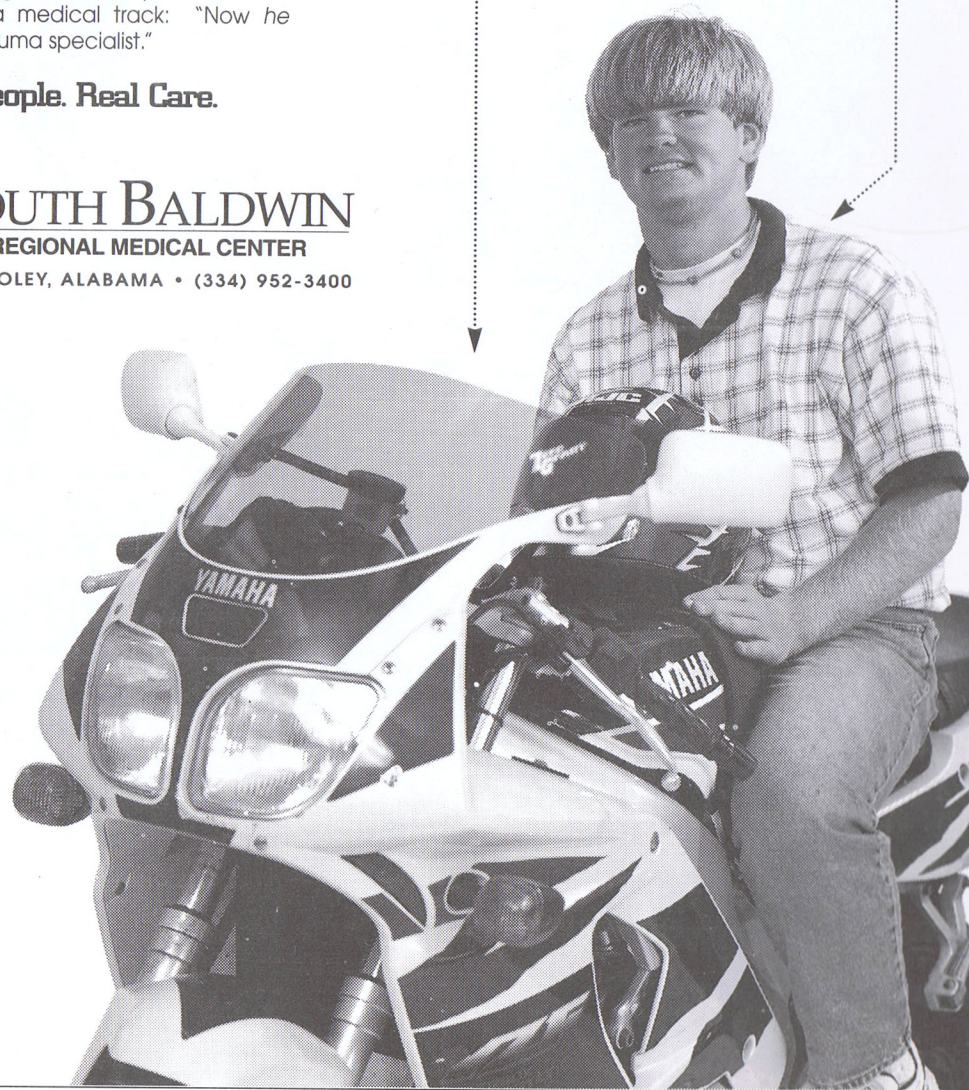

"Richie impaled himself on a metal fence," says Diana Rockwell, whose family owns *The Track Recreation Center* in Gulf Shores.

By the time Diana and her husband, Don arrived at the Emergency Room, South Baldwin already had a leading trauma specialist available to repair their son's three critical abdominal injuries. "Richie spent two weeks in the hospital - one week in intensive care," Diana remembers. "Throughout his stay, the doctors and nurses were outstanding. We were really impressed with their skill and their helpfulness."

Impressed enough to steer 17 year-old Richie Rockwell onto a medical track: "Now he plans to be a trauma specialist."

"A Celebration of Youth"

Faster than you can say,

let's go.

Forget the dial-up speed limits. Now the web is wide open.

GulfTelDSL service gives you full-time Internet connection at speeds from 384k to 1.1Mbps.

Fast. Really fast.

{all the speed all the time}

Up to now, the only way to get speeds this fast was to run an expensive ISDN or T-1 line to your house or business. GulfTelDSL does it all with just one DSL line.

Calls go in and out while you stay online.

If you're thinking this would be great for business, you're right.

Everything they promised from the web. Without the wait.

First Baptist Church is committed

to serving Christ in our community... but that is just the beginning! We believe that the love of God cannot be contained within the walls of the local church or even the confines of a community. Our heart is to allow that love to spill over into Baldwin County and beyond. It is our strongest desire to glorify God with our lives and service. What a privilege it would be for us if your would join us in worship and in service.

**A Brief History Of
Founders Day in Silverhill
1945 - 2000**

Welcome to the 55th Annual Founders Day Banquet. We hope you will enjoy the food and entertainment we have prepared for you.

In 1945, while Mrs. Wingard was Principal and Mrs. Albert Philips was P.T.A. President, they began sponsoring the Annual Founders Day Dinner. This banquet became the celebration of the founding of the Parent and Teachers Association (P.T.A.).

The banquet has been held in various locations over the years. The themes have been countries of the world, time periods in America and months of the year.

Founders Day is a community gathering as well as a successful way of raising funds for our school. We hope you will continue to support this tradition.

Co-op Employees Make the Difference

Some things go without saying. But they need to be said anyway. Baldwin EMC employees make the difference to our customers and to our communities.

Whether restoring electric power after a storm, reading meters, servicing customers, teaching energy conservation, or a wide variety of other jobs, your Baldwin EMC employees are always working for you.

As technology and the electric utility industry change, the employees at Baldwin EMC represent one thing that can never be replaced - human connection and the one-on-one partnership that makes our hometown service so special.

Unfortunately,
 accidents and earaches
 don't follow a schedule

If accidents, sore throats, fevers and sprained ankles only happened during regular business hours, there wouldn't be a need for Thomas UrgentCare. Unfortunately, that's not the case. That's why Thomas UrgentCare is open after hours and weekends, 2 p.m. - 10 p.m., seven days a week. And you don't need an appointment.

So when your child comes down with a fever on Saturday afternoon, or your husband cuts his finger at 8 o'clock in the evening, the only schedule you need to know is ours: Thomas UrgentCare, 2 p.m. - 10 p.m., every day of the week.
